

## **Comprehending and Maximizing Under PDPM-Specifics of the PT, OT, and SLP Classifications** **Promotional**

\*\*You **MUST** print this for Continuing Education purposes and keep with your certificate of completion.

### **Requirements:**

For successful completion of this educational activity and receipt of 1.0 contact hour(s), the learner must:

1. Participate in 60 minutes of continuous learning.
2. Complete a quiz with a minimum score of 85%.
3. Complete an evaluation form.

### **Educational activity description:**

The Patient Driven Payment Model (PDPM) will take effect on October 1, 2019. This educational activity will allow the participant to understand the classification criteria for PDPM as it relates to OT, PT, and SLP and how these classification diagnoses are used during the PDPM process and coding section J. Participants will also be presented with information about how to calculate a functional score based on section GG and how to identify SLP comorbidities for determining an SLP classification score.

### **Target audience:**

The target audience for this educational activity is nurses and nursing home administrators in the long-term care setting and other interested nurses. This is an intermediate level educational activity.

### **Purpose:**

The purpose of this educational activity is to enable the learner to understand the changes to PDPM.

### **Learning outcome:**

At the completion of this educational activity, the learner will demonstrate knowledge about PDPM classification therapy components by passing a quiz with a score of 85% or greater accuracy.

### **Learning objectives:**

At the completion of this educational activity, the learner will be able to:

1. Identify three (3) classification criteria for PT and OT case-mix classification groups.
2. List five (5) out of the ten (10) PDPM clinical categories.
3. Identify four (4) classification criteria for SLP case-mix classification groups.

### **Authors:**

Mary Braun, RN

Mary is a nurse consultant for KB Post-Acute Strategic Specialist. Mary has over 30 years of experience in the long-term care industry. She has held a variety of positions but has focused most of her time on assisting facilities with survey, all aspects of the RAI process (MDS) including reimbursement, quality assurance, and performance improvement. She has attended the PDPM Academy presented by The American Health Care Association.

Kim Barrows, RN, BSN

Kim is the owner of KB Post-Acute Strategic Specialists, a home health agency, and a behavioral health clinic. Kim is recognized as an expert in the healthcare industry and has developed holistic programs that place healthcare organizations at the forefront of their competitors by creating relationships with premier local hospitals unlike any other within the industry. These partnerships have been instrumental in dramatically improving patient outcomes and occupancy resulting in financial success for all. She has attended the AHCA PDPM Academy. Her accomplishments have been nationally recognized by industry leaders and organizations such as the American Health Care Association and Christ Hospital.

**Planning committee:**

Judy Hoff, RN, BSN, MA, PhD

Mary Braun, RN
